## **CONCISE EXPLANATION AND ANALYSIS OF THE PRODUCT AND ITS COMPLIANCE WITH APPLICABLE PROVISIONS OF THE ACT, INCLUDING CORE PRINCIPLES AND THE COMMISSION'S REGULATIONS THEREUNDER**

Pursuant to Commission Rule 40.2(a)(3)(v), the following is a concise explanation and analysis of the product and its compliance with the Act, including the relevant Core Principles (discussed in Appendix D), and the Commission's regulations thereunder.

### **I. Introduction**

The "What will be <player>'s next team?" Contract is a contract relating to World.

Further information about the Contract, including an analysis of its risk mitigation and price basing utility, as well as additional considerations related to the Contract, is included in Confidential Appendices B, C, and D.

Pursuant to Section 5c(c) of the Act and CFTC Regulations 40.2(a), the Exchange hereby certifies that the listing of the Contract complies with the Act and Commission regulations under the Act.

**General Contract Terms and Conditions:** The Contract operates similar to other event contracts that the Exchange lists for trading. The minimum price fluctuation is \$0.01 (one cent). Price bands will apply so that Contracts may only be listed at values of at least \$0.01 and at most \$0.99. Further, the Contract is sized with a one-dollar notional value and has a minimum price fluctuation of \$0.01 to enable Members to match the size of the contracts purchased to their economic risks. As outlined in Rule 5.12 of the Rulebook, trading shall be available at all times outside of any maintenance windows, which will be announced in advance by the Exchange. Members will be charged fees in accordance with Rule 3.6 of the Rulebook. Fees, if they are charged, are charged in such amounts as may be revised from time to time to be reflected on the Exchange's Website. A new Source Agency can be added via a Part 40 amendment. All instructions on how to access the Underlying are non-binding and are provided for convenience only and are not part of the binding Terms and Conditions of the Contract. They may be clarified at any time.

Furthermore, the Contract's payout structure is characterized by the payment of an absolute amount to the holder of one side of the option and no payment to the counterparty. During the time that trading on the Contract is open, Members are able to adjust their positions and trade freely. The Expiration Value and Market Outcome are determined at or after Market Close. The market is then settled by the Exchange, and the long position holders and short position holders are paid according to the Market Outcome. In this case, "long position holders" refers to Members who purchased the "Yes" side of the Contract and "short position holders" refers to Members who purchased the "No" side of the Contract. If the Market Outcome is "Yes," meaning that an event occurs that is encompassed within the Payout Criterion, then the long position holders are paid an absolute amount proportional to the size of their position and the short position holders receive no payment. If the Market Outcome is "No," then the short position holders are paid an absolute amount proportional to the size of their position and the long position holders receive no payment. Specification of the circumstances that would trigger a Market Outcome of "Yes" are included below in the section titled "Payout Criterion" in Appendix A.

**CERTIFICATIONS PURSUANT TO SECTION 5c OF THE COMMODITY EXCHANGE  
ACT, 7 U.S.C. § 7A-2 AND COMMODITY FUTURES TRADING COMMISSION RULE  
40.2, 17 C.F.R. § 40.2**

Based on the above analysis, the Exchange certifies that:

- The Contract complies with the Act and Commission regulations thereunder.
- This submission (other than those appendices for which confidential treatment has been requested) has been concurrently posted on the Exchange's website at <https://kalshi.com/regulatory/filings>.

Should you have any questions concerning the above, please contact the exchange at [ProductFilings@kalshi.com](mailto:ProductFilings@kalshi.com).

## **APPENDIX A – CONTRACT TERMS AND CONDITIONS**

**Official Product Name: “What will be <player>'s next team?”**

**Rulebook: NEXTTEAM**

## NEXTTEAM

**Scope:** These rules shall apply to this contract.

**Underlying:** The Underlying for this Contract is the next professional sports team that <player> officially joins after Issuance, as documented by Source Agencies. Revisions to the Underlying made after Expiration will not be accounted for in determining the Expiration Value.

**Source Agency:** The Source Agencies are the official league office governing <player>'s sport, the official team websites and social media accounts, ESPN, The Athletic, The New York Times, the Associated Press, Bloomberg News, Reuters, Axios, Politico, Semafor, The Information, The Washington Post, The Wall Street Journal, ABC, CBS, CNN, Fox News, Fox Sports, MSNBC, NBC, NBC Sports, Bleacher Report, and official social media accounts of <player> or their official representatives.

**Type:** The type of Contract is an Event Contract.

**Issuance:** After the initial Contract, Contract iterations will be listed on an as-needed basis at the discretion of the Exchange and corresponding to the risk management needs of Members.

**<player>:** <player> refers to a professional athlete specified by the Exchange. Includes active players, free agents, players under suspension, players on injured reserve, and retired players who may return. Identity persists through legal name changes.

**<team>:** <team> refers to a professional sports organization specified by the Exchange. May include: teams from any professional league worldwide (with league specified), "Same team" (the team <player> is on at Issuance), "No team" (retirement or remaining unsigned), "Any [league] team", "Any team outside [league]", or multiple teams using OR logic. Team identity persists through relocations and rebrandings (e.g., the Oakland Athletics and Las Vegas Athletics are the same team). For teams with multiple affiliate levels (e.g., G-League, AHL, minor leagues), only the top-level professional team counts unless explicitly specified. National teams are separate entities from club teams.

**<date>:** <date> refers to a calendar date specified by the Exchange. The Exchange may list iterations of the Contract corresponding to variations of <date>.

**Payout Criterion:** The Payout Criterion for the Contract encompasses the Expiration Values of the first new team that <player> officially joins after Issuance, where "officially joins" means any of the following events as reported by a Source Agency:

1. Signing of a contract (of any duration, including 10-day, two-way, or exhibit 10 contracts)
2. Official trade execution as approved by the league office

3. Waiver claim awarded by the league office
4. Selection in an expansion or dispersal draft
5. Signing with an international team
6. For unsigned draft picks, the team that drafts them

The determining moment is when the transaction becomes official as reported by Source Agencies, not when the player physically reports, plays, or passes a physical.

Special provisions:

- **Sign-and-trades:** The Contract resolves to the final destination team, not the initial signing team, if the transactions are part of a single reported deal
- **Multi-team trades:** Resolves to the team acquiring <player>'s rights
- **Voided transactions:** If a trade/signing is voided by the league or falls through before completion, it is disregarded
- **Retirement:** If <player> officially retires without joining a new team, "No team" resolves to Yes
- **Loan deals:** The team receiving the player on loan is the next team, if they are newly received
- **Rights trades:** Acquiring a player's rights without a contract does not count until a contract is signed

The following do NOT constitute joining a new team:

- Workout invitations or tryouts
- Verbal agreements not yet made official
- Training camp invites without contracts
- Consultant or coaching positions
- Ownership stakes
- Charity tournament teams

**Minimum Tick:** The Minimum Tick size for the Contract shall be \$0.01.

**Position Accountability Level:** The Position Accountability Level for the Contract shall be \$25,000 per strike, per Member.

**Last Trading Date:** The Last Trading Date of the Contract will be the same as the Expiration Date. The Last Trading Time will be the same as the Expiration time.

**Settlement Date:** The Settlement Date of the Contract shall be no later than the day after the Expiration Date, unless the Market Outcome is under review pursuant to Rule 7.1.

**Expiration Date:** The latest Expiration Date of the Contract shall be one year after <date>. If an event described in the Payout Criterion occurs, expiration will be moved to an earlier date and time in accordance with Rule 7.2.

**Expiration time:** The Expiration time of the Contract shall be 10:00 AM ET.

**Settlement Value:** The Settlement Value for this Contract is \$1.00.

**Expiration Value:** The Expiration Value is the value of the Underlying as documented by the Source Agency on the Expiration Date at the Expiration time.

**Contingencies:** Before Settlement, Kalshi may, at its sole discretion, initiate the Market Outcome Review Process pursuant to Rule 6.3(d) of the Rulebook. If an Expiration Value cannot be determined on the Expiration Date, Kalshi has the right to determine payouts pursuant to Rule 6.3(b) in the Rulebook.
