## CONCISE EXPLANATION AND ANALYSIS OF THE PRODUCT AND ITS COMPLIANCE WITH APPLICABLE PROVISIONS OF THE ACT, INCLUDING CORE PRINCIPLES AND THE COMMISSION'S REGULATIONS THEREUNDER

Pursuant to Commission Rule 40.2(a)(3)(v), the following is a concise explanation and analysis of the product and its compliance with the Act, including the relevant Core Principles (discussed in Appendix D), and the Commission's regulations thereunder.

### I. Introduction

The “Will <person> win the Presidency before <date>” Contract is a contract relating to control of the American Presidency.

Pursuant to Section 5c(c) of the Act and CFTC Regulations 40.2(a), the Exchange hereby certifies that the listing of the Contract complies with the Act and Commission regulations under the Act.

General Contract Terms and Conditions: The Contract operates similar to other event contracts that the Exchange lists for trading. The minimum price fluctuation is \$0.01 (one cent). Price bands will apply so that Contracts may only be listed at values of at least \$0.01 and at most \$0.99. Further, the Contract is sized with a one-dollar notional value and has a minimum price fluctuation of \$0.01 to enable Members to match the size of the contracts purchased to their economic risks. As outlined in Rule 5.12 of the Rulebook, trading shall be available at all times outside of any maintenance windows, which will be announced in advance by the Exchange. Members will be charged fees in accordance with Rule 3.6 of the Rulebook. Fees, if they are charged, are charged in such amounts as may be revised from time to time to be reflected on the Exchange’s Website. A new Source Agency can be added via a Part 40 amendment. All instructions on how to access the Underlying are non-binding and are provided for convenience only and are not part of the binding Terms and Conditions of the Contract. They may be clarified at any time. Furthermore, the Contract’s payout structure is characterized by the payment of an absolute amount to the holder of one side of the option and no payment to the counterparty. During the time that trading on the Contract is open, Members are able to

adjust their positions and trade freely. The Expiration Value and Market Outcome are determined at or after Market Close. The market is then settled by the Exchange, and the long position holders and short position holders are paid according to the Market Outcome. In this case, “long position holders” refers to Members who purchased the “Yes” side of the Contract and “short position holders” refers to Members who purchased the “No” side of the Contract. If the Market Outcome is “Yes,” meaning that an event occurs that is encompassed within the Payout Criterion, then the long position holders are paid an absolute amount proportional to the size of their position and the short position holders receive no payment. If the Market Outcome is “No,” then the short position holders are paid an absolute amount proportional to the size of their position and the long position holders receive no payment. Specification of the circumstances that would trigger a Market Outcome of “Yes” are included below in the section titled “Payout Criterion” in Appendix A.

CERTIFICATIONS PURSUANT TO SECTION 5c OF THE COMMODITY EXCHANGE  
ACT, 7 U.S.C. § 7A-2 AND COMMODITY FUTURES TRADING COMMISSION RULE  
40.2, 17 C.F.R. § 40.2

Based on the above analysis, the Exchange certifies that:

- ☐ The Contract complies with the Act and Commission regulations thereunder.
- ☐ This submission (other than those appendices for which confidential treatment has been requested) has been concurrently posted on the Exchange's website at <https://kalshi.com/regulatory/filings>.

Should you have any questions concerning the above, please contact the exchange at [ProductFilings@kalshi.com](mailto:ProductFilings@kalshi.com).

APPENDIX A – CONTRACT TERMS AND CONDITIONS

Official Product Name: “Will <person> win the Presidency before <date>”  
Rulebook: PERSONPRES

## PERSONPRES

Scope: These rules shall apply to this contract.

Underlying: The Underlying for this Contract is the identity of all persons who become President before <date>. Revisions to the Underlying made after Expiration will not be accounted for in determining the Expiration Value.

Source Agency: The Source Agency is the Office of the President of the United States.

Type: The type of Contract is an Event Contract.

Issuance: After the initial Contract, Contract iterations will be listed on an as-needed basis at the discretion of the Exchange and corresponding to the risk management needs of Members.

<person>: <person> refers to an individual or group of individuals specified by the Exchange.

<date>: Kalshi may list iterations of the Contract with <date> values that refer to calendar dates.

Payout Criterion: The Payout Criterion for the Contract encompasses the Expiration values that <person> has newly become President of the United States after Issuance and before <date>.

If any <person> dies while being listed as a strike, the associated market will resolve and the Exchange will determine the payouts to the holders of long and short positions based upon the last traded price prior to the death. If a last traded price is not available or is not logically consistent (for example, if the Yes prices for each <leader> in <set> do not sum to one dollar), or if the Exchange determines at its sole discretion that the last traded prices prior to death do not represent a fair settlement value, the Outcome Review Committee will be responsible for making a binding determination of fair allocation. For the avoidance of doubt, the Exchange will distribute \$1.00 for each Contract.

Minimum Tick: The Minimum Tick size for the referred Contract shall be \$0.01.

Position Limit: The Position Limit for the \$1 referred Contract shall be as follows:

- The Position Limit for Individuals and Entities shall be \$7,000,000 per strike, per Member
- The Position Limit for Eligible Contract Participants (“ECP”) shall be \$100,000,000 per strike, per Member

**Last Trading Date:** The Last Trading Date of the Contract will be the same as the Expiration Date. The Last Trading Time will be the same as the Expiration Time.

**Settlement Date:** The Settlement Date of the Contract shall be no later than the day after the Expiration Date, unless the Market Outcome is under review pursuant to Rule 7.1.

**Expiration Date:** The Expiration Date of the Contract shall be a week after <date>. If an event described in the Payout Criterion occurs, expiration will be moved to an earlier date and time in accordance with Rule 7.2.

**Expiration time:** The Expiration time of the Contract shall be 10:00 AM ET.

**Settlement Value:** The Settlement Value for this Contract is \$1.00.

**Expiration Value:** The Expiration Value is the value of the Underlying as documented by the Source Agency on the Expiration Date at the Expiration time.

**Contingencies:** Before Settlement, Kalshi may, at its sole discretion, initiate the Market Outcome Review Process pursuant to Rule 6.3(c) of the Rulebook.

## APPENDIX B – TRADING PROHIBITIONS

In addition to the general prohibition against trading on material nonpublic information, the Exchange will be instituting additional prohibitions for trading the PRESPERSON contract. The following individuals will be prohibited from trading:

This prohibition does not apply to all employees of an organization that contains a polling division (e.g. the prohibition does not apply to all employees of Quinnipiac University despite the presence of Quinnipiac University’s polling division). The Exchange shall determine which polling organizations constitute “major” and may modify that determination at any time, and will post publicly a list of those organizations on its website.
- Employees of Decision Desks at major media organizations (including, but not necessarily exclusive to, Fox News, ABC News, AP, CNN, CBS News, Decision Desk HQ and NBC News). - Any foreign national. This is defined as an individual who is: (1) not a citizen of the United States and (2) not lawfully admitted for permanent residence (as defined in 8 U.S.C. § 1101(a)(20)); or a foreign principal, as defined in 22 U.S.C. § 611(b). Section 611(b) defines a foreign principal to include a foreign government or political party; or a partnership, association, corporation, organization, or other combination of persons organized under the laws of a foreign country or whose principal place of business is in a foreign country.
