CONCISE EXPLANATION AND ANALYSIS OF THE PRODUCT AND ITS COMPLIANCE WITH APPLICABLE PROVISIONS OF THE ACT, INCLUDING CORE PRINCIPLES AND THE COMMISSION'S REGULATIONS THEREUNDER

Pursuant to Commission Rule 40.2(a)(3)(v), the following is a concise explanation and analysis of the product and its compliance with the Act, including the relevant Core Principles (discussed in Appendix D), and the Commission's regulations thereunder.

I. Introduction

The “Will <person> be Time’s Person of the Decade?” Contract is a contract relating to **Politics** ▾.

Further information about the Contract, including an analysis of its risk mitigation and price basing utility, as well as additional considerations related to the Contract, is included in Confidential Appendices B, C, and D.

Pursuant to Section 5c(c) of the Act and CFTC Regulations 40.2(a), the Exchange hereby certifies that the listing of the Contract complies with the Act and Commission regulations under the Act.

General Contract Terms and Conditions: The Contract operates similar to other event contracts that the Exchange lists for trading. The minimum price fluctuation is \$0.01 (one cent). Price bands will apply so that Contracts may only be listed at values of at least \$0.01 and at most \$0.99. Further, the Contract is sized with a one-dollar notional value and has a minimum price fluctuation of \$0.01 to enable Members to match the size of the contracts purchased to their economic risks. As outlined in Rule 5.12 of the Rulebook, trading shall be available at all times outside of any maintenance windows, which will be announced in advance by the Exchange. Members will be charged fees in accordance with Rule 3.6 of the Rulebook. Fees, if they are charged, are charged in such amounts as may be revised from time to time to be reflected on the Exchange’s Website. A new Source Agency can be added via a Part 40 amendment. All instructions on how to access the Underlying are non-binding and are provided for convenience only and are not part of

the binding Terms and Conditions of the Contract. They may be clarified at any time. Furthermore, the Contract's payout structure is characterized by the payment of an absolute amount to the holder of one side of the option and no payment to the counterparty. During the time that trading on the Contract is open, Members are able to adjust their positions and trade freely. The Expiration Value and Market Outcome are determined at or after Market Close. The market is then settled by the Exchange, and the long position holders and short position holders are paid according to the Market Outcome. In this case, "long position holders" refers to Members who purchased the "Yes" side of the Contract and "short position holders" refers to Members who purchased the "No" side of the Contract. If the Market Outcome is "Yes," meaning that an event occurs that is encompassed within the Payout Criterion, then the long position holders are paid an absolute amount proportional to the size of their position and the short position holders receive no payment. If the Market Outcome is "No," then the short position holders are paid an absolute amount proportional to the size of their position and the long position holders receive no payment. Specification of the circumstances that would trigger a Market Outcome of "Yes" are included below in the section titled "Payout Criterion" in Appendix A.

**CERTIFICATIONS PURSUANT TO SECTION 5c OF THE COMMODITY EXCHANGE
ACT, 7 U.S.C. § 7A-2 AND COMMODITY FUTURES TRADING COMMISSION RULE
40.2, 17 C.F.R. § 40.2**

Based on the above analysis, the Exchange certifies that:

- The Contract complies with the Act and Commission regulations thereunder.

APPENDIX A – CONTRACT TERMS AND CONDITIONS

Official Product Name: “Will <person> be Time’s Person of the Decade?”

Rulebook: TIMEDECADE

TIMEDECADE

Scope: These rules shall apply to this contract.

Underlying: The Underlying for this Contract is Time Magazine’s official designation of Person of the Decade for the 2020s decade (2020-2029), if announced. Revisions to the Underlying made after Expiration will not be accounted for in determining the Expiration Value.

Source Agency: The Source Agencies are Time Magazine, Time.com, Time Inc., The New York Times, the Associated Press, Bloomberg News, Reuters, CNN, The Washington Post, The Wall Street Journal, and Axios.

Type: The type of Contract is an Event Contract.

Issuance: After the initial Contract, Contract iterations will be listed on an as-needed basis at the discretion of the Exchange and corresponding to the risk management needs of Members.

<person>: <person> refers to a specific individual, group, concept, or entity specified by the Exchange as a potential Person of the Decade. This may include non-human entities such as technologies, movements, or abstract concepts.

<date>: <date> refers to a calendar date specified by the Exchange. The Exchange may list iterations of the Contract corresponding to variations of <date>.

Payout Criterion: The Payout Criterion for the Contract encompasses the Expiration Values that <person> has been officially designated as Time Magazine's Person of the Decade for the 2020s (2020-2029) in an announcement made after Issuance and before <date>.

For the purpose of this Contract:

- Time must explicitly use the phrase “Person of the Decade” or “Person of the 2020s” (or equal, e.g., “Person of 2020-2029) in their official announcement.
- If Time does not announce a Person of the Decade by <date>, all markets resolve to No.
- For <person> to meet the Payout Criterion, ONE of the following must be true:
 - <person> is explicitly named as the Person of the Decade (exact name or widely recognized synonym)
 - <person> is a human individual whose image appears on the Person of the Decade cover AND is identified by name in the article
 - <person> is part of a group that wins and is specifically named within the winning group designation
- Multiple winners: If multiple entities are named co-Persons of the Decade, all specifically named entities resolve to Yes.

- Disambiguations:
 - Generic categories require explicit mention (if “Scientists” wins, “Climate Scientists” does not)
 - Technologies must match exactly (if “Artificial Intelligence” wins, “AI” resolves Yes as a recognized synonym, but “ChatGPT” or “Machine Learning” resolve No)
 - Movements/concepts must be explicitly equivalent (if “Democracy Defenders” wins, “Democracy” does not)

Examples that would resolve to Yes:

- Time names “Taylor Swift” as Person of the Decade, market for “Taylor Swift” resolves Yes
- Time names “The Innovators” featuring Elon Musk on cover with his name in article, “Elon Musk” resolves Yes
- Time names “Artificial Intelligence and its Creators,” both “Artificial Intelligence” and “AI” resolve Yes

Examples that would NOT resolve to Yes:

- Time names “Technology Leaders” without listing specific names or pictures, “Tim Cook” resolves No
- Time names “Climate Activists,” market for “Environmentalists” resolves No (not synonymous)
- Time announces “Newsmaker of the Decade” instead of “Person of the Decade,” all markets resolve No
- No announcement by <date>, all markets resolve No
